<p>This is a license agreement with Verizon Wireless to locate telecommunications facilities on Parks department property at Max Roper Park. The agreement is for 10 years with 3 five-year options. <p>Discussion (Including Relationship to other Council Actions)</p> <p>This is a continuation of allowing telecommunication placements on City properties at locations that do not interfere with City functions. Where such placements are on City property, the City has much more ability to require that the goals of the City's wireless ordinance be met (colocation, stealth, etc).</p>	Opponents	Groups or Individuals Basis of Opposition
